

ShelfMax™ Maximize Your Storage Capacity!

6" High Bins Improve Access & Space Utilization

Go deep! Expand your storage capacity up to 25% over comparable products with 6" ShelfMax Bins. Available in five colors with optional width dividers, ShelfMax offers you the versatility you need to make the most of your storage space and keep everything in its place!

- Perfect For:**
- Manufacturing
 - Healthcare
 - Assembly
 - Retail
 - Distribution
 - Supply Rooms
 - Order Picking
 - Tool Cribs
 - Much More!

features

Easy to carry with large handle

Large label area on front of bin

Reinforced side ribs for added strength

Rolled ridge for durability

Dividers keep items neatly separated

Built-in rear hanglock allows bin to tilt out for complete access

- Front opening is .75" higher than comparable products
- Superior, durable construction compared to corrugated bins
- Five color options: Red, Blue, Yellow, Green and White
- Width dividers keep items neatly separated
- Easy to label for quick inventory identification
- ShelfMax bins can be used alone, or with Akro-Mils' steel shelving, wire shelving, bench racks or pick racks
- Rolled ridge provides added strength when filled to maximum capacity

ShelfMax™ Maximize Your Storage Capacity!

Choose a Package to Increase Efficiency

Pick Racks

- Angled shelves keep parts at the front of bins for easy access
- Improve workspace organization and efficiency with rack and bin systems
- Convenient, high-density storage
- Easy to assemble
- 16-gauge steel construction

Wire Shelving Systems

- Two shelf sizes available
- Open wire design minimizes dust collection and improves visibility for stored contents
- NSF approved

Steel Shelving Systems

- Manufactured from high-grade, 22-gauge steel with a powder-coated finish
- Can be ordered independently or purchased with bins as a complete system
- Shelving units are easy to assemble, using nuts and bolts only on the top and bottom shelves
- Other shelves are quickly assembled, and can be adjusted when necessary, using compression clips
- All units feature a “sanitary” base that keeps debris and small parts from underneath the shelving

Pick Racks

Wire Shelving Systems

Steel Shelving Systems

NEW Design!

ShelfMax Bins can be used with Steel Shelving, Wire Shelving or Pick Racks

The Pick Racks' angled shelves keep parts at front of bin

APRDMOBILE Mobile Kit for double-sided Pick Rack

Lightweight, yet strong metal framework secures Wire Shelving in place

Steel Shelving Units have 350-550 lb. capacity per shelf when assembled and installed per instructions

NEW Design!

Color Coding

Visual reference made simple!
Color code work areas for quick identification of stored items
