## **Protect Valuable Materials and Sensitive Items from Loss or Pilferage**

Heavy-gauge wire security units protect your valuable materials while providing sight-management of contents. Patented, easily adjustable shelf designs allow flexibility to meet changing needs. Shelves can be positioned in 1" (25mm) increments along the entire height of the unit. Each opening 270 degrees, double doors can be secured along the side of the unit. Security units ship knocked-down to save on freight costs.
