

Electrical components, products and systems for MRO, OEM and heavy industrial applications

Fastening

Ty-Rap® High-performance cable ties, application tools and accessories

Catamount® General purpose cable ties and accessories

Wiring Duct

Ty-Duct® Non-metallic wiring duct and accessories

Industrial Fittings

T&B® Fittings For liquidtight, rigid, cord, flexible conduit and JMC applications

Terminals

Sta-Kon® High-performance crimp terminals, splices, disconnects, ferrules, luminaire disconnects and application tools

Catamount® Crimp terminals, splices, disconnects and application tools for OEM applications

Dragon Tooth® Insulation-piercing terminals, splices, disconnects, and taps for magnet wire applications

Pos-E-Kon® Industrial connectors suited for multiple contacts in OEM applications, control panels and PLC systems

Heat Shrink

Shrink-Kon® Heavy, medium and thin-wall heat-shrinkable insulators

Identification

E-Z-Code® Markers, printers and automated systems for identification and safety marking

Power and Grounding

Color-Keyed® Compression connectors and application tools for copper and aluminum conductors up to 1,000 MCM

Blackburn® Compression and mechanical connectors for copper and aluminum conductors up to 1,000 MCM, service entrance products and installation tools

Shield-Kon® Solderless connectors and tools for grounding shielded and coaxial cable

Furseweld® Exothermic grounding products and systems

PVC Coated Conduit and Accessories

Ocal® Corrosion-resistant conduit, fittings, installation tools and accessories

Hazardous Area Lighting

Hazlux® Hazardous location and heavy-duty industrial lighting fixtures

Pin and Sleeve

Russellstoll® Factory standard pin and sleeve plugs, connectors, receptacles and interlock switches for heavy-duty industrial and commercial applications

Cable Tray

T&B® Cable Tray – Aluminum, steel, and stainless steel cable tray systems and application software
