EIS COMPLETES ACQUISITION C. H. CLOWERS SUPPLY COMPANY

Atlanta, GA, May 5, 2008 - EIS Inc., a distributor of electrical insulation and other process materials used in the electrical original equipment manufacturing business, as well as the motor repair market announced today that they have acquired the assets of C.H. Clowers Supply Company effective May 1, 2008. Clowers has one location in the city of Pine Bluff, Arkansas, and is also a distributor of quality electrical materials to OEM's and repair facilities.

With 2007 sales of \$436 million, EIS is one of North America's leading distributors of process materials; production supplies, industrial MRO and value added fabricated parts. Primary markets for EIS are the electrical OEM, apparatus repair and assembly markets. EIS supplies over 100,000 critical products from 31 branches and 3 fabrication facilities located in North America.

EIS, Inc. is a wholly-owned subsidiary of Genuine Parts Company (NYSE: GPC).
